Dear Lori:

On behalf of the Okotoks Arts Council, please accept this letter of support to the High River Performing Arts Foundation in their endeavour of building a purpose built performing arts centre in High River.

OAC is a volunteer-based organization on a mission to create and maintain the vibrant arts community in the foothills of Alberta.

The OAC feels that the HRPFAF is an amazing organization of passionate volunteers, committed to building and supporting a special collaborative Performing Arts Venue that will further the arts in High River and beyond.

Sincerely,

Dale K. Fea
President
